I. INTRODUCTION

At Erin Mills Co-operative Nursery School our purpose is to:

- a) provide a stimulating experience for the children and,
- b) promote a greater understanding by parents in matters relating to early childhood education.

This parent handbook has been compiled to assist you, the parent, to better understand, enjoy and familiarize yourself with the various facets of our school.

Co-operation is the very heartbeat of the parent co-operative nursery school. Each member has a responsibility to the school through his/her contribution and involvement, to make it work.

We trust that the following will help you become more knowledgeable about the organization and daily operation of the school.

II. PHILOSOPHY

A nursery school is a place where we expect to see children playing busily, safely and happily. In their play, they learn to develop motor skills, knowledge and patterns of social behaviour that lie within the limits of their capacity. Each child is unique and such uniqueness we should cherish.

Erin Mills Co-operative Nursery School operates to provide a happy, worthwhile, well-balanced experience for the pre-school child in a non-political, non-sectarian environment. It provides opportunities for children to develop their own sense of time and space in an environment geared protectively to a child's dimensions. The classroom is a place to foster and stimulate discovery and exploration, to provide stimulating materials that will lead the children to question and in turn, help them search for answers. It is a place for children to learn about emotions -- to identify, experience and work through them. The school gives each child the opportunity to know different people - other children, the teachers/supervisor and parents other than their own. In other words, the school is a place where each person, both parent and child, is allowed to participate and contribute to his/her own needs.

In order for our children to enjoy school, we as parents, must help them feel that they are important members of the co-operative plan and that their ideas and feelings count. We must show them respect and treat them as the unique individuals that they are.

Our objective is to improve your child's attitude and ability to:

- ³⁵/₁₇ explore and run; share their fun; finish what's begun
- ³⁵/₁₇ put away when done; demand less "all or none"
- ³⁵/₁₇ restrict their "no"; let their parent go; accept what's so

Each child develops individually and thus goals are reached at different stages. We merely provide the environment, stimulation, necessary materials, guidance and direction for your child to achieve and acquire many skills over the year - social, emotional, physical and intellectual.

Erin Mills Co-operative Nursery School is a place where the parent TAKES rather than SENDS a child. In fact, parent and child learn and grow together.

Most parents enrol their child in a pre-school program thinking only of the benefits for the child. Through their own involvement in a co-operative pre-school, parents are also put into a learning situation. They are able to observe the behaviour of their own child with other children, watch as they play and learn together, and participate in the teaching process.

In summary, a co-operative pre-school provides the opportunity for both you and your child to experience personal growth and development. At the end of the year, both you and your child will have benefited in some way.

- Keep confidential information confidential
- Approach all committee issues with an open mind, prepared to make the best decision for Erin Mills Co-operative Nursery School.
- Does nothing to violate the trust of those who elected them to this committee or of those they serve.
- Focus their efforts on the mission of Erin Mills Co-operative Nursery School and not on personal goals.
- Never exercise authority as an executive member except when acting in a meeting with the full committee, or as delegated by the committee.

C. ELECTION POLICY AND PROCEDURES

1. The executive committee positions and sensitive committee positions must be filled before any general committee positions are filled. During the general meeting in May, all executive members will discuss their committee positions with the general membership and the sensitive committee positions will be explained by the president/vice-president.
2. After the May general meeting, the secretary will email all families a form to be completed indicating if they are interested in a position on either the executive or sensitive committees. This form will be submitted to the president in their file at the school and will be kept confidential between only the person who has expressed interest in the position and the president and executive committee for the current school year.
3. The president will then contact all persons interested in each position and discuss with them their qualifications and interest in the position indicated. In a situation where there is more than one parent expressing interest in an executive or sensitive committee position, the president will contact all interested. The president, in conjunction with the executive committee, will then decide which parent would be best suited for the position and wherever possible, offer another well-suited executive/sensitive committee position to the other parents. The goal of this process is to fill the

executive committee and sensitive committee positions before the June general meeting with members who are best suited to the positions.

4. During the general election in June, the new executive committee and sensitive committee members will be introduced to the general membership.
5. If there are any outstanding positions from either of these committees, they will need to be filled by a parent before the rest of the committees can be filled. Parents from the general membership will be asked to volunteer for these positions by nominating themselves. The president will call for nominations three times. If there is only one nominee for any given position after the president has called for nominations three times the chair will state that the nominee has been elected by acclamation.
6. If there is more than one person interested, the president will briefly meet privately and individually with all interested parties. The General Meeting will take a brief adjournment for these meetings. Once the president has spoken with the interested parties and they and the executive committee have come to a decision the meeting will resume.
7. Next, the fundraising committee will be filled by asking for volunteers. As this committee is of vital importance to the running of the school no other positions will be filled until this committee has a chairperson who is an executive member, a co-chair and ideally 7 members.
8. Finally, any families who have not yet joined a committee will choose a random number on a piece of paper and the chair will call the numbers in order. When your number is called you may then select which committee you would like to work on for the upcoming school year.

G. ORIENTATION

This begins when inquiries are first made about enrolment in the school and continues throughout the school year. The goals for effective orientation are: better informed parents, open communication between parents and teachers, and a smooth running school with happy, relaxed children, parents and teachers.

When parents first participate in the school program, their primary concern is to be in the right place at the right time and to learn the location of equipment and supplies. Since we function best when we know what is expected of us, it is extremely important that we are well prepared for this role as participating members of a co-operative nursery school.

As stated, due to the importance of orientation, it is mandatory to attend your scheduled orientation session for your program. **A \$15.00 fine will be assessed for failure to attend orientation.**

As part of your orientation:

1. The teachers/supervisor will show you the facilities, the location of the equipment and supplies, fire drill procedure, emergency information and explain duty parent responsibilities.
2. The Vice-President (committee administrator) will provide orientations and procedures for all members regarding their chosen committee(s).

Please do not hesitate to ask if you have any questions.

It is the parent's role to assist in the management of the pre-school, as well as to assist the teachers/supervisor with the children's program. This is best achieved through your attendance at the required May, June, and September general meetings, which are scheduled in the evenings. A December general meeting may be called if deemed necessary.

IV POLICY

A. ADMISSION REQUIREMENTS AND REGULATIONS

1. Maximum enrolment of 24 children per class under the supervision ratio of two early childhood educators and two participating parents, is governed by the school's Day Nursery License.

7. Applications for admission made after December 31 will require an observation by the teachers/supervisor. The final acceptance of your child shall be at the discretion of the teachers/supervisor, based on the child's ability to adjust to the school's program, as per the Parent- School Agreement.

B. ENROLMENT

The first person you will likely come in contact with is the registrar. He/she will explain the educational opportunities for your child and the significant value to parents as members of a co-operative nursery school. The registrar will discuss the school and outline the specific parent obligations. In a prearranged appointment (made with the registrar) interested parents are welcome to visit the school with their child.

Applications for membership are available upon request from the registrar. Enrolments are taken on a first- come, first-serve basis. Current Erin Mills Co-operative Nursery School executive members are given the first opportunity to enrol their children for the upcoming year. Families returning to the school are entitled to register their children prior to alumni, and then registration is open to the public.

- b) A \$45* non-refundable registration fee. (*subject to change with new school year)
- c) A \$10 refundable handbook deposit, if you received a hard copy. A hard copy must be requested.
- d) Membership fees made up of ten (10) post-dated cheques payable to **ERIN MILLS CO-OPERATIVE NURSERY SCHOOL**, dated the 25th of each month except the first cheque which is due July 1, then September 25 to May 25 inclusive.
- e) Parents must have completed an orientation and submit a valid Criminal Reference Check and duty parent Medical form before their first scheduled duty day.

NOTE: If all registration forms are not completed and received by the Registrar by July 31, you may

lose your spot in the school. YOUR CHILD CANNOT START SCHOOL UNTIL ALL REGISTRATION FORMS AND FEES ARE RECEIVED AND COMPLETED IN FULL, PROVIDING A SPOT IS STILL AVAILABLE (exemptions include Criminal Reference Check and duty parent immunization however, these forms are required within 4 weeks of your child starting school and/or before your first duty day, if registrations occurs after the new school year has started).

C. SCHOOL TERM AND HOURS

The school year begins the second or third week of September and will continue through to the second or third week of June. Actual dates vary from year to year, dependent on the calendar, and are chosen at the discretion of the executive committee and the teachers/supervisor.

Our school offers the following programs:

- 3 A.M. (3 mornings per week: Monday, Wednesday, and Friday)
- 2 A.M. (2 mornings per week: Tuesday, Thursday)
- 4 P.M. (4 afternoons per week: Monday, Tuesday, Wednesday, and Thursday)
- 4 P.M. Enrichment Program (2 afternoons per week which are to be determined by enrolment numbers)

Morning programs begin at 9:30 A.M. and end at 11:45 A.M. Afternoon programs begin at 1:05 P.M. and end at 3:35 P.M. There may be the odd occasion when the hours will be changed (i.e. field trips, special concerts). You will be notified accordingly.

Erin Mills Co-operative Nursery School observes all statutory holidays as per the Peel Board of Education, with the exception of professional development days.

Children are admitted to school the second or third full week of September on a staggered basis. By the end of the week all children will have begun. Staggered entry allows the children time to adjust in smaller groups to the daily routine and to gradually acquaint themselves with the teachers/supervisor and new friends.

D. EMERGENCY CLOSINGS

Any of the following conditions may make it necessary to cancel school:

- a) Severe weather conditions (the school shall use the local school boards as a guide to make this decision. That is; if the school buses in the area are not running then the teachers may cancel school for that day.)
- b) Other emergencies (i.e., heating problems)
- c) The school is unable to provide a supply teacher when the teachers/supervisor.

If any of the above events should occur, the class representative will contact each family.

E. FEES AND REFUNDS

Our annual membership fee, which is divided into ten (10) equal monthly payments, will be determined each year by the executive committee. Any adjustments to fees must be approved by the membership.

Payment of a non-refundable registration fee, and the ten monthly payments are due at the time of registration. These fees are made up of ten (10) post-dated cheques, payable to **Erin Mills Co-operative Nursery School**, dated the 25th of each month except the first cheque which is due July 31, then September 25th to May 25th inclusive. As well, the handbook deposit is due at the Spring General Meeting if you are requesting one. No child will be permitted to start school unless all cheques have been received.

Please contact the treasurer if:

- a) You change your bank account, or
- b) You are unable to cover one of your monthly cheques.

Any banking costs incurred by the school for cheques returned (for any reason) will be borne by the member involved and not the school. The cheque in question must be replaced by either CASH or CERTIFIED CHEQUE, together with the reimbursement for any additional banking costs incurred, within ten (10) days of the cheque being returned.

Refunds will not be made for:

- Temporary absences (i.e. Vacations, illness, non-participation in school trips etc.)
- Withdrawals after May 1
- For part of any month's payment, or
- When the school is temporarily closed due to emergency conditions
- Donations or Fundraising dollars contributed to the school through participation in fundraising events

Refunds for unforeseen emergency withdrawal because of lengthy illness will be made at the discretion of the executive committee.

Non-participating Option – if the program is full, there will be an option for a percentage of the families to pay an extra fee per month to forego duty days. The non-participating family will still be responsible for committee obligations and may still be required to provide either juice and/or snack for the entire class. The number of non-participating options will be determined on class size and will be awarded on a first come, first serve basis. Families will be notified prior to the start of the school year if they will have to provide juice or snacks.

Multiples family discount – families with 2 or more children in the school will be offered a discount on fees for the second and third child registered.

F. FUNDRAISING

Fundraising is an important part of a non-profit co-operative Nursery School. Fundraising allows Erin Mills Co-operative Nursery School to pay for school trips for students and volunteers, purchase educational and art supplies for the school and purchase special treats and gifts for students. As a non-profit school, the school relies heavily on fundraising in order to run an extensive learning program for its students. Other than tuition fees, fundraising is the only other source of income the school receives from its members.

As a member of a Co-operative, families are expected to participate in ALL fundraisers and donate at least the minimum requirement for each fundraiser, which will be outlined throughout the school year. The minimum expectation for ALL fundraisers combined shall not exceed \$120.00. However, it is hoped that families will go above and beyond the minimum requirement to ensure a successful school year.

G. WITHDRAWAL

To withdraw a child you must give either:

- a) one month's notice in writing to the registrar, or

- b) one month's payment in lieu of notice.

If over the summer you decide to cancel your enrolment, please contact the Registrar. Withdrawals prior to the start of the upcoming school year must be **submitted in writing to the Registrar no later than June 30, or your fees for the month of September will be forfeited.**

The teachers and/or executive committee may, at their discretion, ask a parent to withdraw their child due to:

- The child's inability to adjust to the school
- The parent's failure to participate
- Non-payment of fines/fees

In the event a parent is asked to withdraw their child, an adjustment to membership fees will be made from the child's last day of school.

H. HEALTH REGULATIONS

Prior to the first day of school, the Child's Medical Information Form must be returned to the registrar. As per the Day Nursery Act, this form will be kept at the school in a confidential file.

Ontario law requires that all parents/guardians participating in co-operative day nursery programs must have the following:

- a) An up-to-date immunization against Diphtheria, Tetanus, Polio (DT)
- b) Documentation of immunization against MMR
- c) A tuberculin skin test or chest x-ray completed prior to their child starting school. Documentation of the test results must also be kept at the school in a confidential file.

The young child is very susceptible to communicable diseases and must be kept home if symptoms of illness are evident. DO NOT send a sick child to school; it is unfair to the other children. It is most important that the registrar and/or teachers be notified if your child has a communicable disease. The school will notify all parents when any child is reported ill with a communicable disease.

If a child in the school develops symptoms of illness, the parent will be contacted. If unavailable, the person designated for emergencies shall be notified so that the child may be taken home.

When a serious accident or illness occurs to a child in the school, the teachers/supervisor shall immediately:

- a) Notify the parents of the child,
- b) Obtain all necessary medical assistance.

The teachers/supervisor shall permit at any time inspection of the nursery school by the local medical officer of health or any person designated by him or her.

Absolutely no medication will be given at school by teachers or duty parents unless specified on the Administration of Drug Form for special medical conditions.

If your child has a particular medical problem which could occur during school hours (i.e. asthma, epilepsy, severe allergy) it is essential that the school be notified. In order to accommodate a child in this kind of situation, everyone at the school must be aware should such a problem exist.

I. ABSENCE OF A CHILD

Please notify the teachers/supervisor if you know that your child will be absent for several days whether it is due to holidays or illness.

J. FIRE DRILL AND EMERGENCY INFORMATION

A procedure approved by the local fire chief is established and followed in the case of fire. This procedure shall include the duties of each member of the staff and duty parents.

The teachers/supervisor are to carefully instruct the duty parents and children of the nursery school in the proper fire drill procedure. This procedure is posted in the school and reviewed several times during the year.

Telephone numbers of the teachers/supervisor and executive committee, the local medical officer of health, a taxi, an ambulance, the nearest hospital, the fire department, the police department and other emergency information are listed on a card posted above the telephone in the school's kitchen.

K. TRIP PROCEDURES/ACTIVITY FEE

The children will be going on several field trips during the school year and school buses will generally be used. Ideally, money raised from fundraising efforts will cover the cost of payment of the buses and admittance to field trips. The school reserves the right to implement a non-refundable activity fee at any point through-out the school year should the school not raise enough money to cover the cost of field trips through fundraising efforts.

A Field Trip Consent Form, signed by the parents or guardians, is required before a child may be taken on field trips away from the school. Parents will be notified of impending trips. If a parent does not wish a child to go on a particular trip, it is the parent's responsibility to notify the school that the child will not be attending school for that day. Parents who wish to volunteer to assist with field trips must submit a valid criminal record check in advance of the excursion.

L. INSURANCE

Erin Mills Co-operative Nursery School carries accident insurance, liability insurance, property coverage and directors and officers liability insurance through 'The Co-operators'. The insurance policy is on school premises and can be reviewed at any time.

M. FINES

Non-attendance at orientation	\$15.00	14

Non attendance at a mandatory meeting	\$15.00	33

All fines must be paid within thirty (30) days of the date the fine letter was issued or your child will not be permitted to return to school until payment is received. Every effort will be made to mail the fine letters within ten (10) business days, excluding weekends, statutory holidays and Christmas and March Break holidays.

N. PETITIONING A FINE

In the event a fine is issued that you disagree with, you may petition the fine in one of the following manners:

You may petition your fine in person at the first monthly executive meeting after your fine is issued. If you choose to represent yourself in person, you must notify the President and Vice-President of this request and the reason(s) for the petition in writing.

You would attend the executive meeting, state the grounds of your appeal and the executive would, later in the meeting, vote on your appeal.

You may have the President or Vice-President petition your fine at the executive meeting that follows your fine being issued. The President or Vice-President will state your case on the grounds you feel your case is

worthy. This will be done anonymously.

After this petition takes place:

The executive will vote on your individual request, taking into account all aspects of the handbook and sections of fineable issues. A majority vote of the executive will determine the outcome of your specific petition.

Either the President or Vice-President will notify you of the outcome of the vote. A fine is to be paid, ten (10) days after notification of petition outcome, or by the due date on the original fine letter, whichever is earliest. **Failure to pay your fine will result in your child not being able to attend school until the fine is paid.**

You are allowed to petition a fine one (1) time only. At the time of your petition all aspects of your fine must be brought up.

The majority vote of the executive will determine the outcome of your fine, and that decision is final.

If you do not notify the Vice-President before your thirty (30) days, or date the fine is to be paid on, your fine will be considered due. After this date, you may no longer petition that fine.

V PARENT PARTICIPATION

The co-operative aspect of our school is stressed in everything we do. Without the parents, the school would not exist. Therefore, as an active member of this co-op, you have commitments to keep.

1. Participating and Non-Participating families will be expected to serve on one committee throughout the entire school year. Families with two children in the school will have to serve on two committees.
2. As a participating family you must fulfill your duty days at school as per the duty schedule by arriving on time to help with classroom set-up, providing either juice or snack for the entire class and assisting the teachers with classroom activities and end of class clean-up. Families of two children in one class will have an amended number of duty days, which must be fulfilled. As a non-participating family you will not be responsible for in-classroom duty days however, you may still be required to provide juice and/or snack and are still expected to serve on a committee.
3. Your attendance at general meetings (which deal with school operations) is **mandatory**.
4. You are expected to co-operate with the teachers/supervisor on your duty days.
5. Your support of all school fundraising endeavours is essential.
6. By being an active, fully participating member of Erin Mills Co-operative Nursery School, both you and your child will reap the benefits of this unique and valuable experience.

A. DUTY DAYS

What is a Duty Parent?

A duty parent is a parent who assists the teachers/supervisor. Depending on the day and season, duties could range from assisting children on and off with clothing to the cleanliness and maintenance of the school. Parents must have a complete understanding of the important role they assume once joining a co-op. Confident, competent parents result in the nursery school being a rewarding place for everyone.

Both moms and dads are encouraged to participate in duty days and visit at any time throughout the school year.

Duty Parent Responsibilities:

1. The duty schedule sheet will be given to each member at least two weeks prior to its date. The number of participation days will vary from month to month. A copy of the schedule will also be posted on the bulletin board.
2. Any long-term special requests for the schedule must be reported in writing as soon as possible to the Duty Scheduler.
3. Parents are responsible for their own substitutes. Please be considerate enough to make these arrangements well in advance. Changes to the duty schedule will not be considered official until the Vice-President has been notified. Failure to notify the Duty Scheduler leaves you responsible for your duty day, which could result in a fine.
4. In case of a last minute emergency or illness, you may call the emergency parent. The daily emergency parent is listed on the duty schedule (indicated by an "E").
5. It is against Day Nursery licensing regulations to allow children other than those enrolled to attend the school. It is your responsibility to make alternative arrangements for siblings and/or other children under your care prior to your duty/emergency duty day.
6. On your duty day, it is essential that you be at the school and ready to begin your duties no later than 9:00 A.M. for the morning classes.
7. You must remain at the school until all the children have been picked up at dismissal time and all clean-up requirements are fulfilled. Clean-up will take approximately 15 minutes to 45 minutes, depending on the program.
8. Each of the following is considered failure to fulfill your duty responsibility:
 - a) missing your duty day
 - b) arriving late for duty
 - c) leaving before all the children have been picked up at dismissal time
 - d) missing your emergency duty day

The fine for failure to fulfill your duty day responsibility will be \$15.00 for late arrival and \$25.00 for all other infractions on each occasion. The third time may result in dismissal from the school.

9. **A criminal reference check must be submitted before you can participate in duty/volunteer days. Your Criminal Reference Check must be received within 6 weeks of your registration date. You will not be permitted to participate in duty days until your CRC has been received BUT you will be required to make up all the duty days you missed while waiting for your CRC to be returned. If your CRC has not been submitted within 6 weeks of your registration date, you may be required to re-submit a new form and pay a \$40* fee (*subject to increase) to have it returned promptly. It is your responsibility to find a replacement from the class until your file is complete.**
10. Please come dressed in comfortable, washable clothing. Activities require freedom, participation, and protection.
11. Once you arrive, duties begin immediately. You should become familiar with every area so that the routine flows smoothly.

Morning Classes - Your morning will be busy assisting the teacher(s) and children. You will be one of two participating parents each session as either the "snack parent" or "juice parent". Healthy snacks and juice are to be provided for the entire class. The duties for either of these two positions are outlined on cards provided at the school. Concentrate your attention on the children rather than visiting with the adults.

Afternoon Class - The JK/SK class is a non-participating class. Parents do not have to assist in the classroom. All families will be on a rotating Snack/Juice schedule. You are responsible for providing and preparing both a healthy snack and juice for the entire class on the days you are scheduled. Parents may volunteer their time to come into the classroom and assist with daily classroom activities. A criminal reference check is required if you wish to volunteer.

12. **2AM** - You will be scheduled as a duty parent **approximately** 1-2 times per month. In addition, you will be scheduled as emergency duty parent approximately 1 time per month.
- 3AM** - You will be scheduled as a duty parent **approximately** 2 times per month. In addition, you will be scheduled approximately 1 time per month for emergency duty days.
- 4PM** - You will be scheduled for snack/juice **approximately** 2-3 times per month.

Note: The number of duty/snack days and emergency days given above are based on the classes having full enrolments and full non-participation spots.

ON YOUR DUTY/VOLUNTEER DAY

1. Check with the teachers/supervisor and acquaint yourself with plans for the day.
2. Be accepting of the fact that your child may find it difficult to share you with other children, and realize that your child may act differently when you are not in the nursery school.
3. Know your responsibilities as duty parent and re-familiarize yourself with the fire drill procedure. Lock the front door 5 minutes after class begins and reopen 5 minutes before class ends.
4. Be constantly alert to the safety of all children when inside and outside. Station yourself nearby when children are climbing, sliding, balancing, etc.

Step in when:

- a) a child is in physical or emotional danger
- b) equipment is being misused

5. Be constantly alert to allergy lists posted.
6. Consult the teachers/supervisor if you have a question about helping a child in a certain situation. It is important to the entire group that any problem be handled smoothly and with a minimum of disruption. Remember you are assisting the teachers/supervisor.
7. Help the children to help themselves. This is the way they learn. However, do not insist on complete self-help, particularly at the end of the day.
8. Give as few directions as possible. Give suggestions in the positive -- what we "do" rather than what we "do not." Show them as well as tell them. Then calmly assist the child if he/she needs help in following the directions.
9. When you have to say "no", give a reason.
10. Speak at a child's level of understanding, but don't talk down.
11. Go to the child to speak to him/her. Always use a quiet, pleasant voice. Speak briefly, simply, distinctly and directly to the child. Speak only when you have their attention. Sit or squat so you can face the child on their level.
12. Listen to the children. You will learn much about their thoughts and feelings.
13. When a conflict occurs:
 - a) try not to judge it for the child, you may not know all the facts.
 - b) don't be too eager to help, many times children can settle their own conflicts and learn in the process.
14. Warn the children in advance of a change of activity. "It's almost tidy up time."
15. Expect co-operation and you will usually get it.
16. Commend good behaviour, and disregard minor unacceptable behaviour, thereby focusing the child's attention on the acceptable behaviour.
17. Participating may mean being alert rather than physically rushing about. Try to create a casual, unhurried atmosphere. If things are going smoothly, take time to observe the children.
18. Laugh with - never at - a child.
19. Avoid judging a child by making comparisons between one child and another.
20. Establish the idea of taking turns. "He is using it now, you may use it later".
21. Do not expect children to be constructive all the time or to enter into all the activities.

22. Bring your sense of humour to the nursery school.
23. When assisting the teachers/supervisor at circle time, participate in the activities and be alert to discipline problems.
24. Put supplies away neatly and leave the nursery school as you would like to find it next time.
25. The children should never be left alone at any time. There must always be at least two adults in the school at all times.
26. Cultivate a relaxed, good natured attitude toward the children.

MERGENCY DUTY PARENT RESPONSIBILITIES

B. EMERGENCY DUTY PARENT RESPONSIBILITIES

The emergency duty parent is only to be used in the case of a last minute reason for being unable to fulfill your duty day.

A.M. CLASSES - The emergency duty parent is not to be called until after 8:00 P.M., the night before the duty day in question. If before this time you know you will not be available to fulfill your regular duty day, you must trade duty days with another parent from your child's class, not the emergency duty parent. In the event of a last minute true emergency such as car failure or illness on the way out the door, the emergency duty parent must be called no later than 8:30 A.M.

with the exception of an emergency arising on the way to school. If you are scheduled as the emergency duty parent, you must be available to report for regular duty until 9:30 A.M.

If the snack or juice parent needs the emergency duty parent, it is the emergency duty parent's responsibility to fulfill the duty day. If the emergency duty parent is also unavailable, it is their responsibility to find a replacement **NOT** the original snack or juice parent. The emergency parent will receive a fine if they are unavailable when scheduled.

If you use the emergency duty parent, you are **obliged** to take that parent's **next** regular duty day, or one that is mutually convenient to both parties.

Please report to the Duty Scheduler when you have used the emergency duty parent and advise them of the next duty day you will be taking.

C. EXEMPTION FROM DUTY DAYS

A maximum of three months' exemption from duty days is allowed for pregnancy leave. A written request must be given to the Duty Scheduler. Duty days missed during leave must be made up.

D. SMOKING

There is absolutely no smoking permitted at the nursery school.

VI SCHOOL DAYS

A. ARRIVAL AND PICK-UP

Your child's program will begin **promptly** at 9:30A.M. or 1:05 P.M. **Please** adhere to these times. The inner doors will be locked until 9:30 A.M. or 1:05 P.M. Duty parents and their children will be admitted earlier. Any other parents arriving at the school prior to 9:30 A.M. and 1:05 P.M. are responsible for their children and must remain with them in the hall, until the inner doors are opened and the children are taken into the classroom.

The front door will be locked 5 minutes after the class begins and will reopen 5 minutes before class ends. If you are late, please use your discretion and the side door.

Every parent is responsible for:

1. assisting their children (and those in their car pool) with removal of outer clothing if necessary
2. taking the children to the teachers/supervisor and ensuring she knows they have arrived

The children will be ready to leave at 11:45 A.M. or 3:35 P.M. Please be sure they are picked up promptly at these times. You will be notified of any early closings ahead of time. **A fine of \$10.00 will be charged for any child who is not picked up within five (5) minutes of class dismissal.** You will be given a written warning on your first occurrence. Each additional occurrence will result in a \$10.00 fine.

Once you have come to the classroom to pick up the children they become your responsibility.

The teachers/supervisor must be notified in writing if someone other than the parents or persons named on the emergency card will be picking them up. Emergency Cards should be updated throughout the year with the witness of an executive member or teacher.

B. PREPARING YOUR CHILD FOR NURSERY SCHOOL

Give your child the experience of being separated from you (i.e. baby-sitter). If you have other children, it is easy to forget that they become dependent on each other and when left among strangers your child may feel lost.

Try and acquaint yourself with someone who lives nearby who will be going to the nursery school at the same time and have them over.

Talk about the school. Tell him what he can expect to find when he goes there, what he can do, who will be there and your responsibilities to the school.

You must be sure of your own feelings. Your child will pick up attitudes of apprehension, fear, or a desire to keep him with you a little longer.

Check the public library for books on starting school (e.g. The Berenstain Bears Go to School).

C. YOUR CHILD'S FIRST DAY AT SCHOOL

Even though the children begin school on a staggered basis and the class may not be very large, we must appreciate that to your child, the adults are strangers, other children are sometimes noisy and activities are

often confusing. So much is new. In time they will feel at home, so reassure yourself because they will adapt.

Come prepared to stay, keeping in mind, that siblings and/or other children under your care cannot stay with you. Stay as long as your child needs you. This may be necessary for more than just the first day of school.

When it is time for you to leave, don't be swayed by your child's pleas or cries. Just explain that you will be back later and go. Hesitating, loitering in the hall or coming back for another "good-bye", will make it harder for your child to adjust.

D. CLOTHING

Dress your child in appropriate clothing so that they will feel free to participate fully in any and all activities (some may be quite messy).

Ensure that their clothing is such that it will be easy for them to go to the restroom on their own. Belts, buttons and zippers can be overwhelming for duty parents as well when there are 20 of them. Outdoor clothing should be adequate for prevailing weather.

A smock will be provided for painting and water play.

Indoor shoes should be brought to school on a daily basis. Shoes with rubber soles should be worn at all times to ensure safety during school activities and fire drills.

Remember -- easy clothing means

independence. A lost and found box is located

in the school.

It is recommended that a change of clothing also be brought to school daily.

E. CLASS PROGRAM

Our program is set up to offer all of the following activities:

- learning circle
- snack time
- theme-related sensory areas
- dramatic play centre
- music listening centre
- computer centre
- toy tables
- creative tables
- outdoor play (weather permitting)
- puzzle table
- "reading" centre

F. TIDY UP TIME

Inform each child in your duty area what will be happening next and that he has a few minutes to finish what he is doing and then tidy up. The child then has time to prepare him/herself mentally and physically for what is to come.

During tidy up time, expect each child to tidy up or at least help, so that each may learn responsibility for his or her school and equipment. Offer assistance if required so that the child may learn independence and co-operation.

G. SNACK TIME

The duty parent(s) are required to provide juice and snack for the entire class. The Day Nurseries Act states that these must be nutritious. For the morning class, one parent will be assigned to bring fruit juice (indicated by a "j" on the duty schedule), while the other parent (indicated by an "s" on the duty schedule) is to bring a nutritious snack-veggies, crackers, cheese, etc. For the afternoon class the parent is required to provide both the snack and juice for the entire class. Please pay close attention to labels or recipes if there are allergies in your class, or if severe, the school.

H. BIRTHDAYS

If your child's birthday occurs during the school year, we have a special day when we sing the birthday song. We try to do this as close to the child's birthday as possible, and have his/her parent scheduled to be on duty that same day. Birthday treats, such as cupcakes or brownies, may be brought in for snack, making the child's birthday even more special.

I. LIMITS AND RULES

1. Children are discouraged from bringing toys to school from home. They can very easily be lost or misplaced and we cannot be responsible for them.
2. No gum chewing is allowed.
3. The children should not bring any money into the school.
4. No running is permitted in the school.
5. Equipment in the various activity centres should not be removed from that area.
6. Smocks are to be worn when painting or at water play.
7. Toys should be tidied up before another is taken or before beginning another activity.
8. Careful handling of all school equipment is stressed with the children.
9. Children are not allowed in the hall unless going to the washroom.
10. Hands must be washed following visits to the toilet and before snack.

These guidelines will be discussed with the children several times during the year by the teachers/supervisor so they will become familiar with them.

J. DISCIPLINE

The staff at Erin Mills Co-operative Nursery School must comply with the behaviour management policies and procedures under the Day Nursery Act, governed by the Ministry of Community and Social Services (copies are available upon request).

1. When an incident occurs the situation should be handled in the following manner:
2. Talk to the child or children and try to work out a solution.
 - a) If the problem continues, give the child a warning that if they cannot manage they will need to find another activity or area to play in.
 - b) If the problem still persists, remove them from the activity regardless of the situation.
3. If there is bodily injury of any kind or aggressive behaviour, the children are immediately separated and removed from the situation.
4. It is prohibited to:
 - a) use physical discipline at any time, even with your own child
 - b) use any deliberate harsh or degrading measures that would humiliate a child or undermine a child's self-respect
 - c) confine a child in a separate room when the child has been withdrawn from other children.

If you are witness to any unsuitable disciplinary measures, it should be reported immediately to either the teachers/supervisor or any executive member. Immediate action will be taken.

VII COMMUNICATION

Open lines of communication are vital between parent members, the executive committee and staff, to facilitate the efficient operation of the school.

A. GENERAL MEETINGS

As per the Parent-School Agreement, it is mandatory that a representative from each family attend these meetings. **Failure to do so will result in a \$15.00 fine.** They are held in May, June, September for the purpose of administration of school business. A General Meeting may also be called in December if the executive and teachers deem it necessary. At this time such items as school policies are discussed and voted upon by everyone. General meetings are also an opportunity to communicate your feelings, ideas or concerns to the membership. These general meetings are not necessarily strictly for business purposes. They can also include parent awareness discussions or guest speakers, making the evening both interesting and informative.

B. CHILDREN'S ART BAGS

Your child's first activity at school will be the decoration of his/her own "art bag" (bags will be supplied). This bag should be returned to the school at the beginning of each week. In addition to your child's artwork, which is sent home on a weekly basis, this bag will also be used to relay special notices, permission forms, etc. It is important that you check it regularly to keep up to date on what is happening in the school.

C. BULLETIN BOARD

The bulletin board is a tool that enables parents to share useful information with other families. It is available for use by any parent member. Duty schedules are posted on the bulletin board near the classroom doors and the class programs are also posted on a bulletin board on the opposite wall.

D. NEWSLETTER

This is one of our strongest communication devices, conveying information between the executive committee, teachers/supervisor, parent membership and the community.
